

THE WESTERN AUSTRALIAN OFF ROAD RACING ASSOCIATION (INC)

PRESIDENT'S REPORT

G'day just a short report this time, can you believe I haven't got much to say?

The static display WAORRA held at the Dwellingup Log Chop was a huge success! The seven off roadies positioned around the club marquee was a good representation of the sport in general, with not a clump of mud or dust to be seen on them anywhere. There was a lot of interest generated from the display, from the very young to the very old, with quite a few posters given out as well. Well done to Daniel Allan for organizing it.

Whilst on the subject of static displays, at very short notice WAORRA have also been invited to put on a static display at the Bencubbin country fair on the 21st March, that's right next Saturday so if you are interested in displaying your race cars there, you can contact Dave Galloway on 0419989009 for more information.

Yealering has been and gone, I will probably get in the shit for saying this, but I thought the event could have been run with a lot more professionalism. There were not enough officials to go around, which put too much pressure on the ones that they did have. Good to see some WAORRA members put up their hands to help out (this is called working together) a trend that may just catch on one day. Congratulations to everyone who finished this grueling event, I was told by quite a few that it got a bit rough out there, so pat yourselves on the back, only once, and start getting ready for the next event. For those of you who didn't finish, I know how you feel, there's always next time hey? For those of you who didn't even make it onto the trailer, not to mention the start line, I also know how you feel. What a piss off, this just makes you more determined next time. See you all out there!

The next event on the WAORRA calendar is the ten pin bowling night. This is going to go ahead even if we don't get much of a response because it is good for club morale! It is also good to catch up without the stress of the race cars and rivalry. But... if you're up for the challenge, I'm prepared to kick your ass!!!

Whilst on about the club morale, the general meeting on the 10th of March had a great turnout with 27 members and a couple of visitors coming along, contributing in the running of the club. It's fantastic to see new and old faces having their say, but... still I'm going to say, where are the rest of you? We need your input as well, to make WAORRA not only the best club, but also the biggest family orientated club!

This year CAMS have brought in that instead of purchasing the full competition license you can get a single event license for both driver and navigator. If you are thinking of only doing one or two events a year this will be a cheaper alternative. The cost of a single event license is \$70.00 per person.

Club shirts...

It's crunch time, the sponsors are in the shirts have been designed and are being ordered. So you need to let Emma Howe know what size you want, and if you are thinking of purchasing a shirt or two we would also like to know sizes. The more we can sell the cheaper they will be to purchase in the first place which in turn will keep the total cost down. Let's all get behind the sponsors as without them the free shirts for club members could not have been possible. So a big thank you to:

CCR Hose & Fittings, Cochranes Racing, Hertz, Imperial Plastering, Miluc Civil, Programme Electrical Maintenance,
Schoen Racing, Trehwella Transport and WA Tubestock Nursery

I may have lied a little bit about not having much to say! Looking forward to seeing you all at bowling!

Gary Howe
